SELECT GOVERNMENT PAST PERFORMANCE

California Conservation Corps (CCC)

Provided contracted security services supporting a California state-agency environment and the protection of personnel, property and operations.

California Department of Veterans Affairs (CalVet)

Supported a California state-operated facility with professional security officer services focused on a safe, secure and dependable operating environment.

California Department of Tax and Fee Administration (CDTFA)

Provided contracted security coverage supporting personnel, visitors, government property and ongoing state operations.

DEMONSTRATED PUBLIC-SECTOR EXPERIENCE

Experience supporting multiple California state organizations provides a strong foundation for expanded government and prime-contractor assignments.
